★CRC to Iwate

CRC staffs went to Iwate pref.

They saw what was left behind the Tsunami, and couldn't say a word for a while...

One house is perfectly fine, and the house next to it was completely destroyed: Once caught by the Tsunami, nothing had a way to escape from it.

All of the children in Children's Homes in the stricken area have survived. However, some children and staffs there lost their family. We will do our best to support children in Northeast Japan.
